Mid-Valley USBC Youth Committee News

We received the go ahead from the board to proceed with our efforts to raise awareness about youth bowling through parades.

Linda Imperio has been in contact with the Lebanon Association and they are interested in working with us on the Strawberry Festival entry.

If you are interested in helping with this parade or future ones contact Tony Meyers or Robert and Sue Clair.

Mid-Valley USBC Open Tournament announcement. Youth bowlers may participate in the singles event of the tournament and win scholarship money. You can only bowl in the single event not team or doubles.

I forwarded on the suggestions to the banquet committee about what kind of event the youth requested. I expect to hear back sometime this winter on what we are going to do. I need to contact Joyce

Morse on the status of the Youth tournament trophies which will be awarded at the to be determined event.
